Title	Representative Name	Report
President	Tara Cabardo	 Operations Manual review meeting went well. Tara will be at MidFirst Bank on Saturday to add necessary club members to club accounts.
Advisor	Polly Maloich	Nothing to report.
Treasurer	<i>Open Position</i> Report by Steve Millstein	 Treasurer's Report provided, included favorable and unfavorable notations. Report now includes PayPal account information. Steve asked that all clubs include PayPal or Square account reports on their club reports. Discussed how to set up PayPal accounts for individual clubs. Discussed option of using Venmo as long as it is not a personal account. Could also let clubs borrow PAWS' PayPal swiper for an event then have PAWS reimburse the club. Will begin to deposit funds directly into club accounts to avoid lost checks. Requested input on additional information needed on treasurer's report.
CFO	Steve Millstein	 Only one club has not sent in CFO reports, that club's reps should be at the bank this Saturday to meet with Steve. Working on gathering all information for tax filing at the end of the year. Going to go over bank reconciliation with some clubs that do not do it at this point. Willing to train clubs' treasurers on how to reconcile and keep track of accounts. Asked reps to let treasurers know to send in all reconciliation report. Must have all clubs' 1099 forms. Need to have clubs' budgets for insurance purposes. Will work offline with clubs who straddle calendar year like soccer.
Vice-President	Open Position	
Membership	Maria VanderMeersch/ Tara Cabardo	 8 new PAWS members since last meeting. Dance almost had 100% participation at recent meeting. Wait to attend girls tennis until after tryouts to approach freshman parents. Currently have 292 members.
Prevention	Monica Snyder (per email)	 Focus during the first quarter has been on stabilization and understanding what the student bodies needs are and how we can roll out the Mental Health initiatives. A letter of intent/application was written by the Horizon leadership team to support the hiring of another full-time counselor/social worker. Additionally - we continue to meet to discuss how we might want to roll out the mental health/mentorship initiative for the 2020/2021 school year. There is a lot of planning that will need to go into this and commitment from leadership.

Grad Nite 2020	Polly Maloich	 Formally announcing in mid-October, will confirm with Disneyland prior. May 21 is graduation, Disneyland on May 22, which is not a grad nite. Must pay \$125 a ticket, which is Disneyland's field trip cost. This brings student cost to \$175. Looking to vendors for transportation, etc. Expect final details by November meeting.
Scholarship Chair	George Gonzalez	Nothing to report.
School Council	Lori Berman (per email)	 The new 5th hour for seniors during lunch hour lets them not have lunch and get out earlier (after 5th hour) seems to be working very well. We voted and approved all of the proposed tax credit uses for band, choir, drama, orchestra, leadership/prevention/study program, Athletics/Spiritline/Pom, and campus clubs. We are doing an unplug and play weekend 2-3x this year. No homework will be given for the weekend and no tests that Monday. Spanish Immersion will start next year with our students from Sunrise Middle School. The planning for this is in progress. We will be doing a fall showcase to allow incoming student and parents to view our school and all we have to offer highlighting our dual enrolment program, AP capstone program, choir and introduction to the Spanish Immersion program. Dress Code was a big topic. There was a lot of discussion of why we need it, why students choose not to follow it and the time and energy it takes staff to address it. We are going to ask the drama department to put together a short parent/student video to address the issue.
Website/PR	Polly Maloich	 Email Polly if any club wants to include info on Monday morning blasts. Went over format for submission, ie, no PDF. Email by Saturday evening: <u>paws-pr@horizonboosterclub.com</u>. This week sent 1776 emails 498 opened, 10 clicked on information. Last week sent 1783 emails, 565 opened, 27 clicked on information. First week of school 1705 568 60 clik
Consumer Incentives	Maria VanderMeersch	No report.

Will have designated area of breakfast room with school supplies for teachers. On October 28, PAWS will have Room with a Boo, popcorn for teachers event. Halloween themed. Location to be by admin office. Flyers for teachers to advertise.
Grants	Nicole Blaha	 No grant applications yet. Boys basketball may be requesting grant to benefit community.

UPC	George Gonzalez	• Sept 18 th UPC Meeting Snapshot on table for your reading. A couple of
OFC	George Gonzalez	highlights:
		 School Tax Credit Changes – it impacts use of donations received June 30,
		2019 to June 30, 2022.
		 Enrollment for district down 121 students - Forecast was 250.
		 Fall Parent Leadership Training – designed to assist parents in leadership roles
		for team/clubs.
		 Language Immersion program will expand to Horizon with Spanish offering for
		9 th grade 2020-21 school year.

Admin	Linda Inhat	 HHS applied for Department of Education grant for social worker/social- emotional counselor. Dual enrollment funds off-duty police for SRO, so do not need to use grant money. Old ISS room to be changed into a mindfulness room, office in it will have counselor. This will be a place for kids to go when they need a break, are stressed out. Also working with Oasis church for volunteers in case the grant is not approved. Mental health training has helped, staff has given more counseling referrals for student help. Mindfulness training for teachers in January. Spanish immersion program to begin next year. Students who began program at Sandpiper Elementary have moved to Sunrise Middle; these students will be at HHS next year. Students will enter in Spanish 5-6. Students will have 8 Spanish credits upon graduation. 4 different immersion classes, to be determined, looking into student feedback to allow them choices for electives. Perhaps PE class in Spanish, working with PE teacher for materials. Following year students may be able to take history in Spanish immersion. Two years after Spanish immersion, HHS will have Mandarin immersion.

Lee revisited options to get student community involved in supporting sports and other activities. Could we lower ticket package to \$30 for students? Dena Anderson (Athletic Director) gets only \$4000 from the district to give to all of the sports. I understand that, as a volunteer, I am not compensated for any services, including wages and insurance. I further understand that I have the right to terminate my arrangement at any time with or without cause, and the Paradise Valley Unified School District has a similar right.

I make this Agreement in order to provide and to be authorized to perform the following uncompensated services to the Paradise Valley Unified School District:

 performing the tasks required as detailed in the Volunteer Job Description, or that I am
 presently a student enrolled in the Paradise Valley School District system.
- I have acquainted myself with what is required to perform those tasks, and I represent that I
 have the skill and ability to perform them.
- I assume full responsibility for my own safety and the safety of others.
- That I will perform the volunteer service in compliance with the standards and specifications established, or approved, by the District, and will honor the direction of District official, to suspend or terminate service.

As a volunteer, I agree to abide by the following code of conduct:

- Immediately upon arrival I will sign in at the front office or designated sign in station.
- I will wear a volunteer identification badge at all times.
- I will use only adult bathroom facilities.

Paradise Valley Unified School District

- I agree to never be alone with individual students without authorization of teachers and/or school authorities.
- I will not solicit outside contact with students.
- I agree not to exchange telephone numbers, home address, e-mail address (including social network information) with students for any purpose.
- I will maintain confidentiality outside of school and will share any concerns that I may have with teachers or school administrators.
- I agree not to transport students.
- I will not disclose, use or disseminate student photographs or personal information about students, self or others.
- I agree not to post, transmit, publish or display harmful or inappropriate matter that is threatening, obscene, disruptive or sexually explicit or that could be construed as any form of harassment.
- I agree not to photograph students.
- I agree only to do what is in the best personal and educational interest of every child with whom I come into contact.

All school district personnel are required by law (A.R.S 13-3620) to report suspected child abuse. Failure to do so is a crime. This applies to all employees and volunteers when acting in the scope of their work with Paradise Valley School District.
