EXECUTIVE BOARD REPORTS

Title	Representative Name	Report
President	Tara Cabardo	<ul style="list-style-type: none"> Administration has not yet determined whether to give PAWS PBIS money to offset cost of ticket prices for sporting and other events.
Advisor	Polly Maloich	<ul style="list-style-type: none"> Nothing to report.
Treasurer	<i>Open Position</i> Report by Steve Millstein	<ul style="list-style-type: none"> Bank reconciliation and PayPal balance now included in report. Pointed out expenses for website and promotional items, not much other activity.
CFO	Steve Millstein	<ul style="list-style-type: none"> Requested that reps inform clubs to send in CFO reports. Badminton needs 2 months, girls soccer 2 months, softball 1 month, lacrosse 1 month, wrestling 1 month. Good reception during meeting at bank. Steve learned that some clubs don't have much transition from one treasurer to the next, so new treasurers can get overwhelmed. Wants to implement smoother transition between outgoing and incoming treasurers. Steve asking for bank reconciliations because PAWS must meet Corporation Commission and IRS requirements. He is working with some clubs to create that system if they do not have it. Also, requested that clubs send in statements for PayPal, Square, etc. type of transactions. Requested that clubs have their vendors give him W-9 forms because he needs to include that in the 1099 for the IRS.
Vice-President	<i>Open Position</i>	
Membership	Maria VanderMeersch/ Tara Cabardo	<ul style="list-style-type: none"> Provided allocations for PAWS, as seen on back of agenda. At 294 members. 4 more clubs to have meetings in the next two weeks so we hope to add more members.
Prevention	Monica Snyder	<ul style="list-style-type: none"> HHS submitted an application for either another SRO or Counselor and should hear back by the end of the year. Also submitted an application to present at the National Council on Behavioral Health Annual Conference in Austin, Texas in April of 2020. They will be presenting the full wrap around model. Submitted funding requests for both of the mentorship tracts. Decisions on those to be made in December. This is to support purchasing the curriculum (\$5000). If we get denied, Principal Inhat will look for funding in other venues. Explained the You Can Sit with Us app. The goal is to have students be the ones to spearhead, sign up as ambassadors and encourage more inclusion during lunch time socialization. (sitwithus.io)
Grad Nite 2020	Polly Maloich	<ul style="list-style-type: none"> Disneyland is confirmed. \$200 per student. Includes bus rides, snacks, full day at Disneyland (only, no park hopper) from 8 am to 10 pm. Depart graduation night. Can pay in full by PayPal or make 2 payments. Registration closes April 1. Paige Bird, former HHS teacher, spoke about College Transition 101. The program is to help graduates and their parents to transition into college, particularly before college begins. College Transition 101 will help parents complete FAFSA, help students to complete applications and search for scholarships, address time management and similar skills, and student wellness while at college. Some topics include budgeting and credit, campus safety, what to bring to college, anxiety, loneliness/isolation, mentorships, sleep, life balance. Complimentary consultation to determine which services would be helpful. Peers provide advice to students, not just Ms. Bird. Discussion followed regarding how to bridge communication with College & Career center and school counselors. Discussed importance of completing FAFSA early. Can also provide counseling for non-college post high school, such as trade schools.
