Marci announced that the Band is seeking fundraising opportunities so would be happy to come into other clubs to run snack bar, etc.

Baseball - Kim Maes

In the middle of the season. Horizon hosted a tournament over spring break and beat Pinnacle! Tributes to the late and beloved HHS baseball mom Heather Weber are ongoing.

Boys Basketball - Alison Feinberg

Had a great season! Varsity made it to the play-offs and played well. Coach Bob is really making strides creating a team-feel and the boys feel a great sense of teamwork and cohesion. End of season basketball Banquet was great.

Girls Boys Basketball - Laura Hill

Banquet next Tuesday at Aunt Chiladas. Had a positive season, participated in tournaments. Helping with MS Festival and will get started with Summer Ball.

Gridiron Football - Gracie Snyder

Request that PAWS send Zeffy information to Gridiron for use at Concessions.

Returning parent meeting (plus) any current high school student who wants to try out will take place on March 27 at 6 pm in the auditorium.

Football is no cut. Pinnacle is no longer a rival - we are not playing them for the next few years (because we are 5A). Chaparral part of 5A. No bi-week, 10 straight weeks in the fall! Planning a back-to-school night including Student Clubs. As the school is getting a little smaller, it seems like we need to encourage more kids to come out for games. (Schedule shared during the meeting via PAWS Instagram)

Robbie reported that **Girls Lacrosse** is still actively looking for girls to play next year.

STUGO - Robbie reported that Carnival was a HUGE success

Tennis - Jennifer Sisk

Girls are tied 2 and 2 for the season, Chick Fila Fundraiser tonight. Next few weeks more fundraisers.

Track - Going strong, weather cooperating!

Robbie reported that Volleyball took state again!

Wrestling - Chantalle Hause

New Coach, we are having an amazing season!

Senior night is coming soon, losing a lot of seniors this year!

First HHS wrestler to make the podium at state! First HHS Senior Girls who had over 100 wins! 9 wrestlers who qualified for state and a handful of injuries. Took 5th in state, with the smallest team. Need more wrestlers. Goal is to build the girls team - it's the fastest growing sport. Appreciated a lot of support from other HHS sports and Administration. **Katie Allison** interjected: And CHOIR needs boys - let's make a deal!

Meeting adjourned at 7:22
